

March 15, 2005
Dear Friends,

Thank-you so much for making our **Kaitlyn E. Kennedy** fundraising event a tremendous success. Your presence on **Feb 19, 2005**, or donation, allow us to offer TWO Medway High School Seniors, Arts and Music scholarship awards for 2005. Details on selection criteria and the application process can be obtained from Medway High School.

The atmosphere at the party was very supportive and we really want to express our appreciation to all of you that came. To me it was a great experience to see Kate's friends, Making it Right, play next to my High School friends, Suffrin Blye. The large number of Kate's friends overall was very moving, and we hope we achieved our goal of making her loss, have some positive memories. Thanks to all of you for giving us your support and being a part of these fundraising events. We plan to continue with events that gather us together as friends, and support causes in Kate's name and memory.

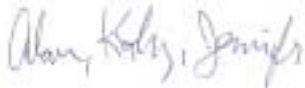

June 26, 2005 will be the "KTK Golf Outing" at Glen Ellen CC, cost is \$125, and includes: Golf, carts, food, and prizes. Contact: Larry Muench at 508-533-9944 or email golf@kthsound.com.

July 16, 2005 will be Kate's 18th Birthday Bash at our house in Medway. It will be all about the music, and pizza from the KTK Pizza Oven... featuring appearances by: **Making it Right**, Suffrin Blye and many many friends... Tom Pugh will have a band from his "Plugged in Teens" program, and we will have an Irish Session around the campfire at night.

KTKsound also sponsors many teen music events and youth functions throughout the year. If you have questions, comments, or are interested in volunteering **call us: (508) 533-9399, visit: www.kthsound.com/kate.htm or email: info@kthsound.com.**

Thank you for your interest and support of our daughter Kate's life and memory!

Sincerely,

Al, Kathy and Jenn Kennedy
